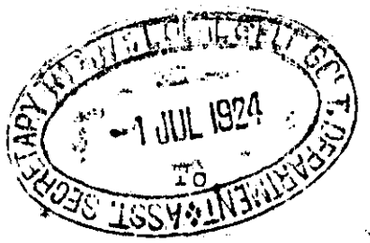
Rejoinders.

To

M. R. Ry., L. Brahma Sastri Garu,

President, Taluk Board,

Bellary.



The Secretary to the Government of Madras,

18729 Local-Self Government Department,

Madras.

Sir,

(I) With reference to G.O. no.1476 Mis. L. S. dated 4-6-24, I have the honour to inform you that this Taluk Board has in its resolution no. 21 dated 20-6-24 (copy enclosed) resolved to levy under Sec. 78 B ii of the Madras Local Boards' Act of 1920 an additional landcess of 3 pies in the rupee from the next fasli as advised by the Government. I have now been enabled as per orders contained in G.O. no.1535 Mis. L. S. dated 23-5-24 to overdraw to an extent of Rs.5,500 minus 1,671 or Rs.7,129/. The amount of the bills awaiting payment up to date is Rs. 11002 ~~7,950~~/- as per list enclosed. The balance on hand not being sufficient to meet all the above demands I have made payment only of a sum of Rs.7,052,- as per details noted in the margin. It will thus be seen that a sum of Rs. 3950 ~~3,975~~/- is yet to be paid for which the balance at the credit of the Board inclusive of the amount permitted to be overdrawn is only Rs.77,-. The current month is drawing to a close and the payment thereof falls due on the 1st. of July. The amount of the additional dues would be Rs.3,950/-. By the beginning of July 24 the total amount to be paid by the Board would amount to Rs. 7900 ~~7,925~~/-. To enable me to meet all these demands I would request that all the money spent for payment of salaries of the teachers of the schools maintained by Government which comes up to Rs.3,009/-

3 pies of current up to end of April 24. Rs.1,500-0-0. Civil works. Rs.900-0-0. Medical relief. Rs.7,052-0-0.

and the amount of Rs.4,500/- yet to be paid may kindly be ordered to be adjusted immediately. The amount due on account of medical contribution may also be kindly ordered to be adjusted at once. The Director of Public Instruction states that the question of the advanced payment of the educational grants is under correspondence. If this is not likely to be settled soon I request that I may be permitted to overdraw to the extent of the above noted sums. Otherwise I will be unable to pay the salaries of the teachers which would cause undue hardship on these ill-paid subordinates.

orders have issued in G.O 668 30-4-24 (VIII)

(IV)

2. G.O 1375 Mis. L & M. dated 23-5-24 above quoted states that the amount overdrawn should be recovered from July 24 from the landcess to be credited to the Board monthly. This does not stipulate as to how much should be adjusted every month. If the whole amount of landcess due to the Board is to be adjusted to this account then I shall have practically nothing to meet the ordinary demands of the Board. I may be instructed as to how much I should meet the actual expenses every month. I request that adjustment may be ordred to be made whenever excess balances are available to the credit of the Board.

whole will be deducted

3. In this connection I have to submit that all these difficulties are due to the debit of Rs.14,594/- to the Board's funds on account of excess landcess adjustment said to have been made during the previous years for which the Board is in the least responsible . Were it not for this there was no necessity for the levy of the additional tax . The legality of this adjustment made without giving any previous notice or obtaining any sort of explanation is questionable. Anyhow to save all further complications and to relieve the Board of the present financial crisis I request that the Government will be pleased to write off this amount.

14,657. as per Ex.

An early reply is requested. A copy o the letter has been submitted direct in order to savedelay.

I have the honour to be,

Sir,

Your most obedient servant,

Kasmakar

Subject Overdrawal - Bellary Tk Bd under G.O.s No 1385 L & M dated 23-5-24 and No 1476 L & M dated 4-6-1924, the Bellary Taluk Board was permitted to overdraw on the Treasury to the extent of Rs 8,800 on condition that the Bd levied the additional land cess at 3 pies from the current fasli. The overdrawal ~~of~~ was ordered to be recovered from July 1924 from the land cess payable to the Bd monthly

IV (I)

N 5 C.F 2 The Board has resolved to levy the additional cess at 3 pies from the current fasli. The P.T.B reports that at the beginning of July 1924, the Bd had unpaid bills to the extent of Rs 7,900 while the amount at its

N 1 C.F. credit in the Treasury was only Rs 77 including the amount permitted to be overdrawn. The President therefore requests that the ~~Bd may be~~ educational subsidies due to the Bd may be ~~permitted~~ disbursed at once or that the Bd may be permitted to

N 2 C.F overdraw to the extent of such subsidies.

3 It is understood from Law (Edn) that orders will issue within a month

for the disbursement of the monthly instalments of educational subsidies† due to local bodies for the current year. When the order issues, the Bd will be paid forthwith about Rs 4 × 1460 of Rs 5,840 being four monthly instalments of the educational subsidies due to the Bd upto the current month and a grant of Rs 1,460 a month will be paid from August 1924. The position of the Bd will then be ~~easy~~ easy even if the ~~whole of the~~ land cess payable to ~~the~~ Bd is adjusted towards the amount overdrawn by it. The Bd will however have no money for expenditure during the current month as the instalment of land cess (Rs 2,350⊗) due to it for the current month will under G.O No 1385 L & M dated 23-5-24 be adjusted towards the amount overdrawn by it. In order that the Bd may have money to meet urgent expenditure during the current month, it may be ordered that the amount overdrawn should be recovered from the land cess payable to the Bd from August 1924

† except the subsidy equivalent to Edn tax.

instead of from July 1924 as originally ordered. The amount of land cess payable to the Bd in the current year from August 1924 is nearly Rs 8 x 2350 or Rs 18,800.

3 With reference to para 3 of the P. T. B's letter on page 2 C.F, it is submitted that a sum of Rs 14,657 representing the excess of land cess wrongly credited to the Bd ~~in~~ ~~fasli 1330~~ was readjusted to Govt from the Bd's funds in 1921-22. The President's request in para 3 of this letter is apparently that this amount may be paid to the Bd as a grant. This request has already been negatived by the Govt — vide at K on page 3 of G.O No 1385 L&M dated 23-5-24 and para 1 of the same G.O.
